Presents the

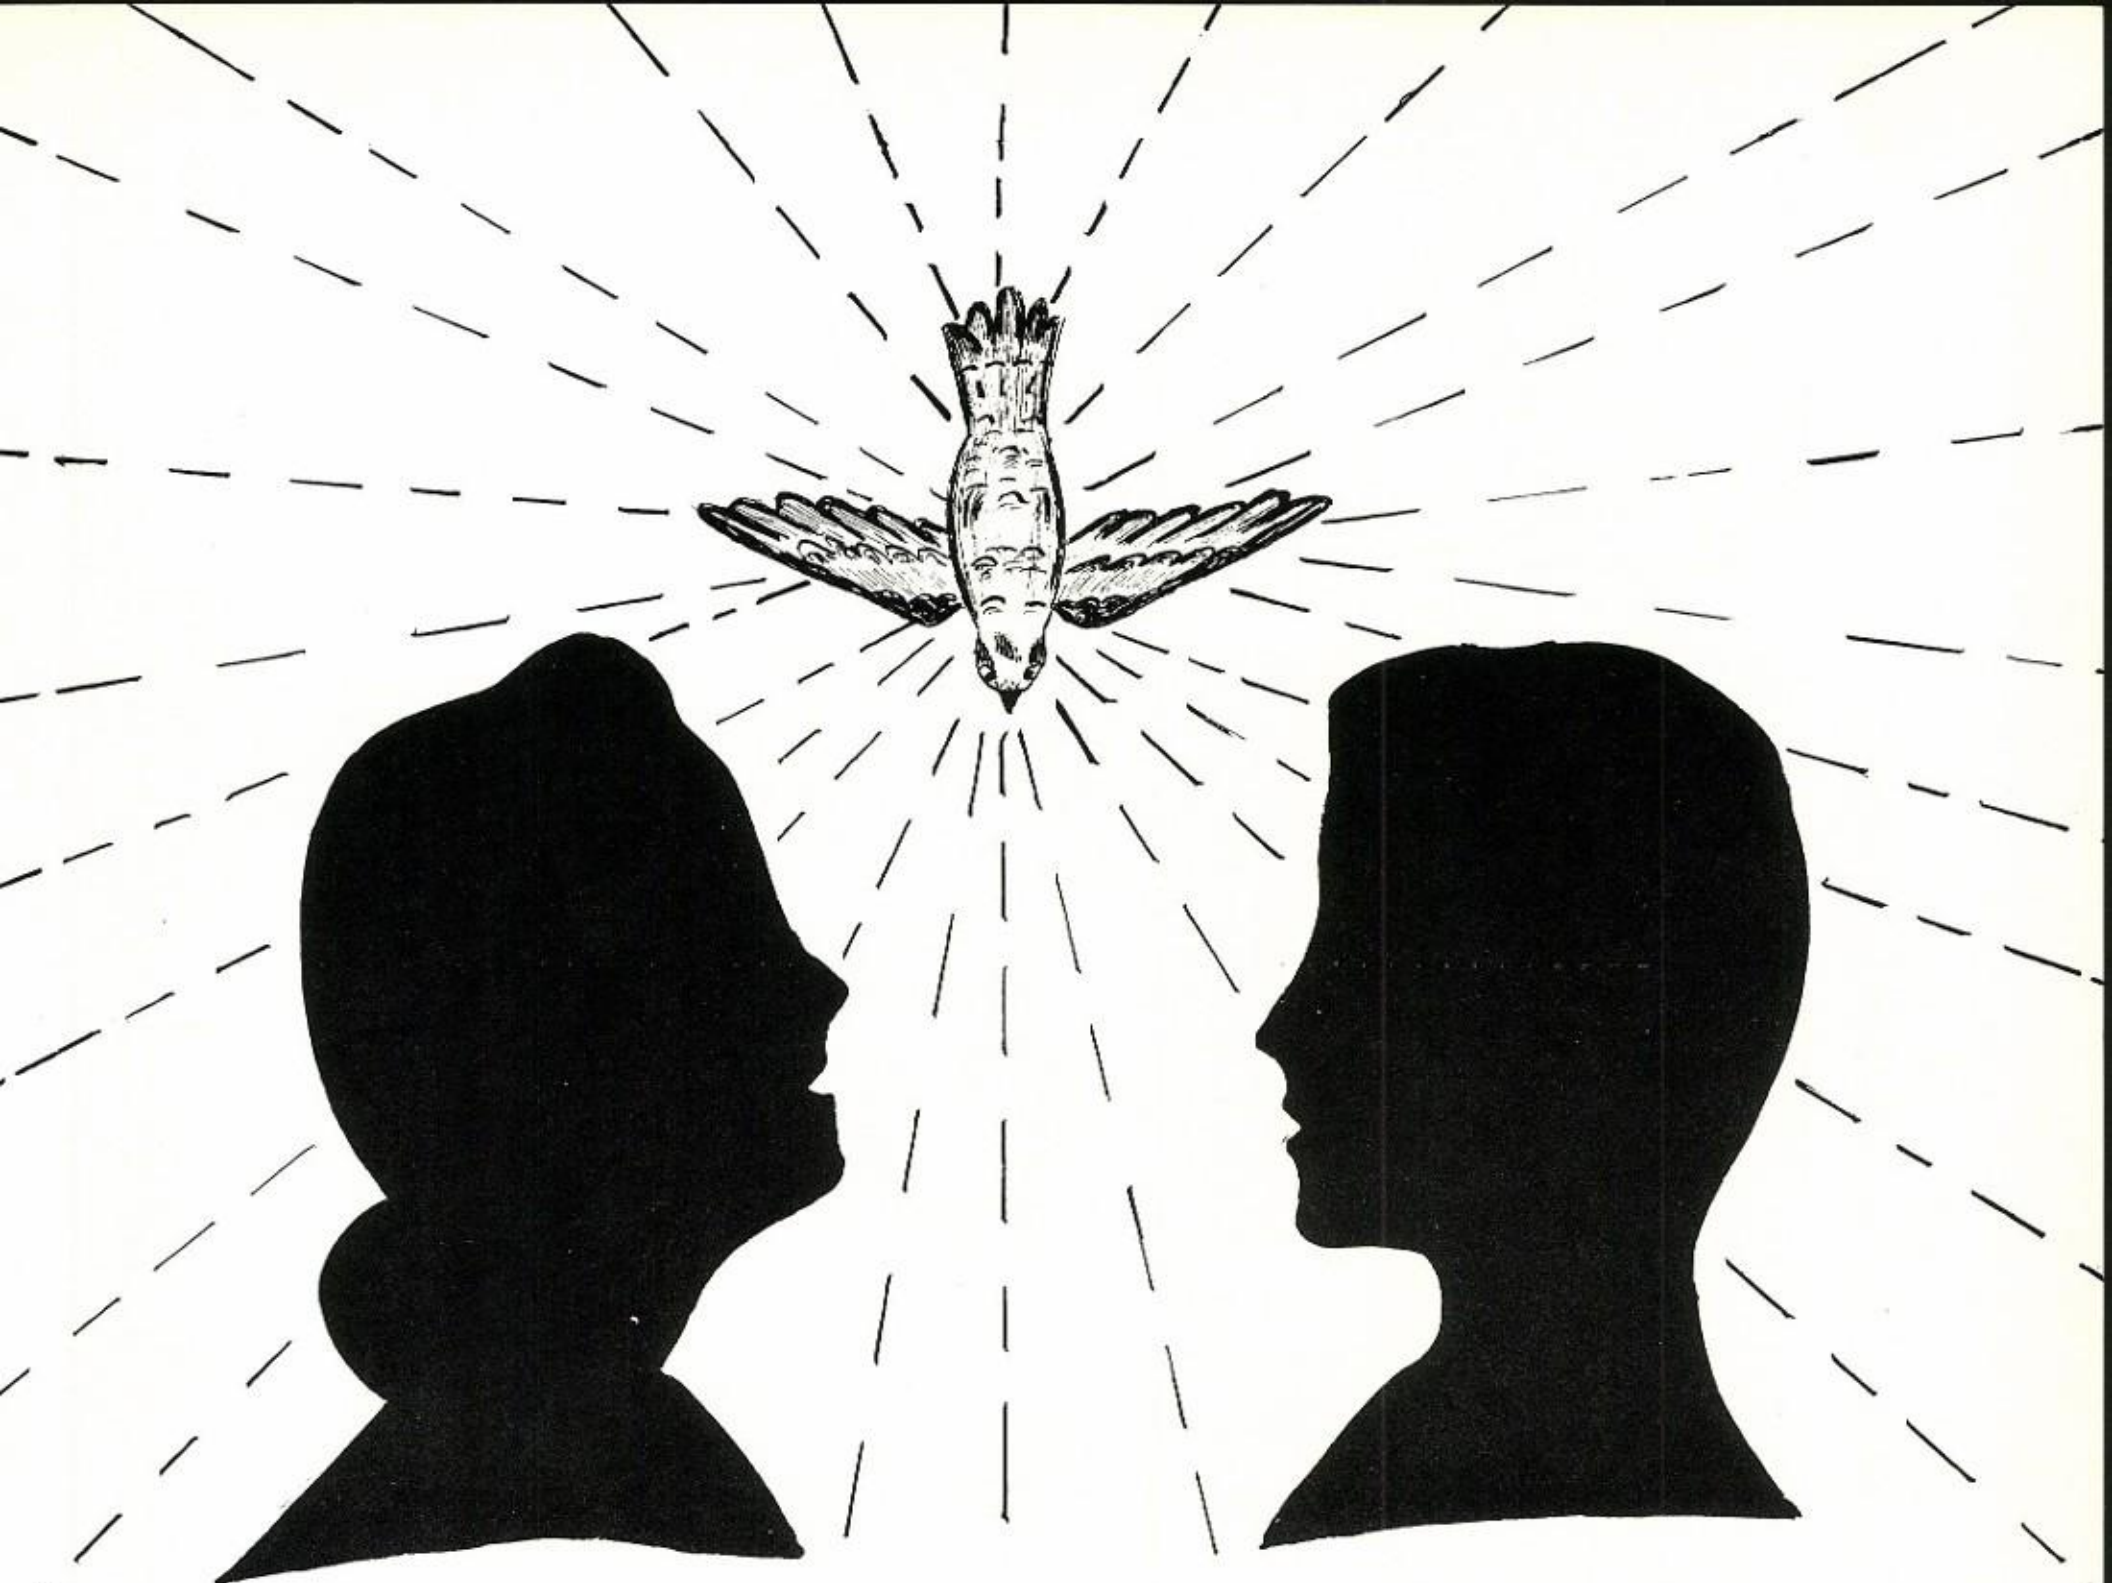
MARYMOUNTIAN

Foreword

Personal sanctification of students has always been of vital importance in the educational setup of Marymount High School. The school endeavors to accomplish this objective through the media of Religion, Education, and Recreation. Although ample emphasis is placed upon culture of the intellect and character, primary attention, however, is concentrated on the spiritual status of each individual. From this type of an education inevitably germinates a more successful and useful life resulting in happiness from the elevation of our souls to God.

Someone had written, "If you forget about God, then it doesn't matter what you remember." Fully cognizant of the meaning of this statement which was and always shall be our guidepost, we, the seniors of 1952, do inscribe this as an inspiration for our successors. With this expectation, we submit this our . . .

MARYMOUNTIAN.



Dedication

TO OUR BELOVED PARENTS

United by the Sacrament of Matrimony.

Who through cooperation with the graces of this Sacrament have implanted the seed of love in our hearts.

Who in cooperation with the holy church have enabled us to receive this catholic education whereby we have been trained in love and citizenship for God and country,

We dedicate this Yearbook.

ALMA MATER

THE MOST REVEREND WILLIAM J. HAFEY, D.D.
Bishop of Scranton

To His Excellency, William J. Hafey, Bishop of Scranton, the class of 1952 expresses its sincerest thanks for the many advantages and opportunities afforded to us students. A heartfelt wish that God will continue to favor this most deserving apostle, accompanies the prayers of each Marymountian.

THE MOST REVEREND HENRY T. KLONOWSKI, D.D.
